Many things go into the making of a good teacher. He must be dedicated, but dedication alone will not carry him through the long school year. He must be talented, but talent cannot cover other inadequacies. He must be knowledgeable in his field, but knowledge alone is but a poor beginning.

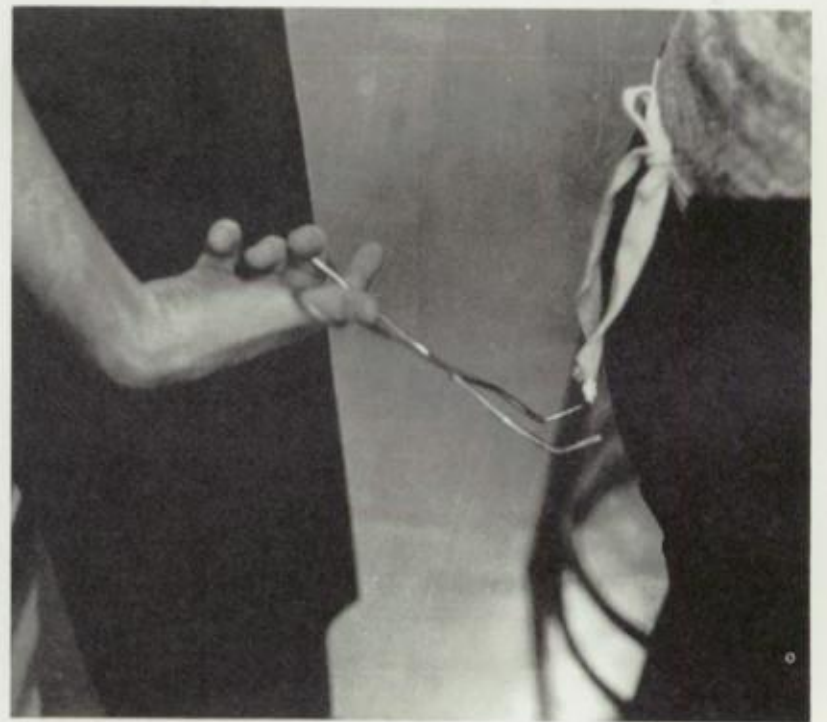

The creative teacher must also be a modern person, a true citizen of the last quarter of the Twentieth Century. He must be in tune with his surroundings, in harmony with the needs and demands of those around him. He must have, above all, a sense of direction for himself and his society.

To such a person is this yearbook, the product of our hands and our heads and our hearts, dedicated. For his devotion as an advisor and his ability to make us extend beyond the tight boundaries of ourselves, we dedicate the 1976 *Troian* to Mr. John Moore.

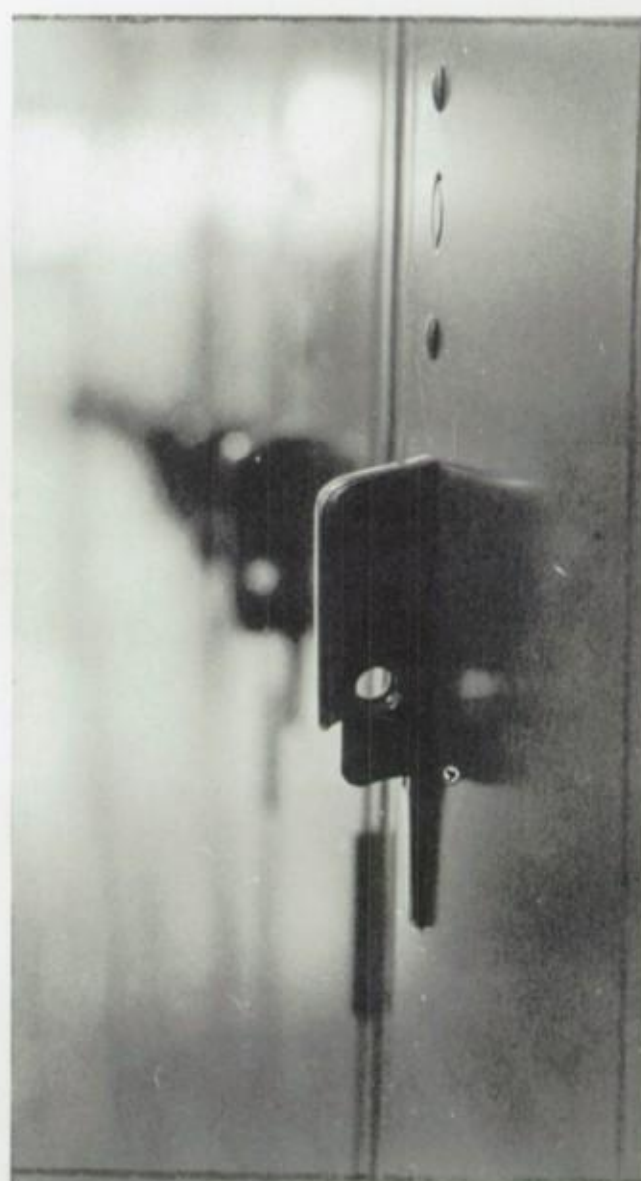

Our life begins as a mass of clay. Our personality is shaped by interacting with other people we encounter. At this stage in Life all people are the same and we must do all the same required things.

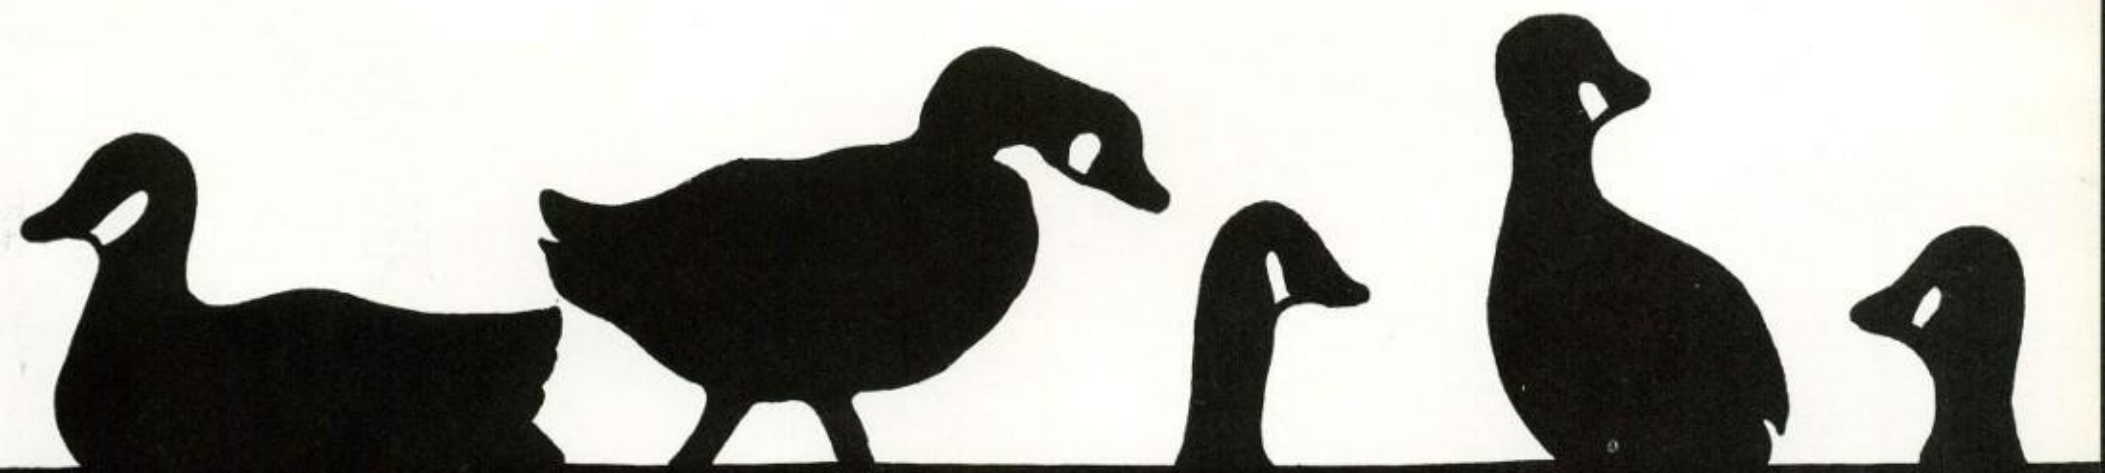

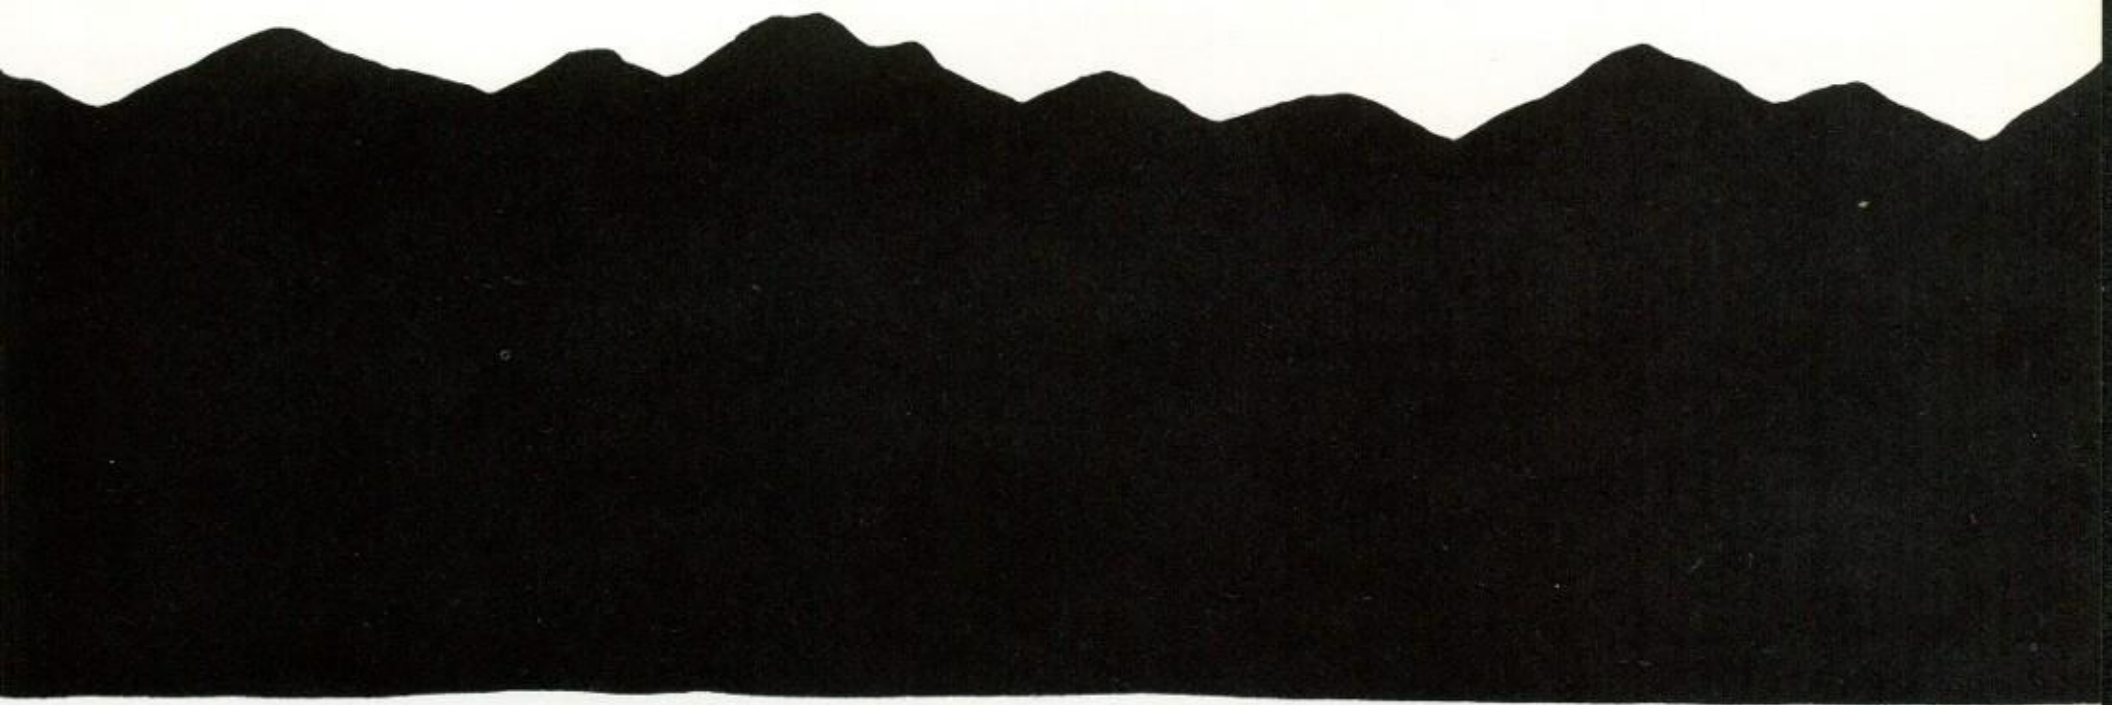

When we reach high school the realization is made that not all people are the same. We begin to socialize and form clique groups and common interest groups. The clumps of clay are still being molded.

In our senior year we realize that in some respects everybody is different. We no longer are the "product of our environment." The clay is no longer being molded by other people. The clay is molding itself. We become special — each in our own way. We become Individuals.

Indivtduals together, searching for freedom.

This was an important year for "women's libbers" at G.H.S. For the first time in G.H.S. history, two women achieved the high rank of president — one in the Student Council and one in the Senior Class. Colleen Bronder was elected last May to head the 1975-76 Student Council. Elected to the presidency of the Senior class was Patty Hawes. She led the class in their annual magazine sale. So, in it's own way, G.H.S. joined in the observance of UN International Women's Year.

An addition to the annual school calendar was a detailed explanation of the new found student rights and responsibilities. One item that seemed to cause much anguish and aggravation to many students was in-school suspension, commonly called "solitary confinement." Failure to make up a detention resulted in the guilty one's being shut off from the rest of the student body in the seldom used doctor's office. If luck was with him, the doctor's office was occupied by another victim and he could enjoy the cushioned comfort of the auditorium.

James Kenneth Barnett

Stephen John Bendig

Stephen John Bendig "Steve" *Engineer or Architect* January 7. "A student court to work with the administration ... a Student Council with greater power and influence ... There were a few minor changes seen in the cafeteria this year. D lunch group suffered a severe overcrowding problem in September until Mr. Scott changed some classes from D to A and B lunch periods. The ala carte lunch expanded offering packaged cookies and crackers, as well as various fresh salads, sandwiches, soups and ice cream products to students and teachers not wishing to purchase a regular lunch. Students were granted longer lunch periods for Thanksgiving, Christmas, and Easter dinners and some of the administration helped the cooks prepare trays. This allowed all students the opportunity and time to enjoy their holiday dinners.

Throughout the school year, students were presented with various assemblies which the administration hoped would be of interest to the student body. The orientation assembly, new to the freshmen but repetitious to the seniors, began the school year. The school commemorated the Bicentennial by featuring an assembly entitled "Sons of Liberty." The program included portrayals of characters of the Revolutionary War. Firefighters from the Greenville Fire Department came to the school during Fire Prevention Week to discuss fire hazards and various fire prevention techniques. The highlight of the program was a movie, "Donald's Escape Plan," starring Donald Duck. Our annual wildlife assembly was filmed and narrated by Tom Diez. Mr. Diez travels to various parts of the world and films animals in their natural setting. This year he journeyed to Africa. As a whole, the assemblies were not only educational, but entertaining as well.

In an attempt to outdress each other the G.H.S. student body donned outlandish apparel for the various dress-up days.

For Fifties Day, rolled up jeans, bobby sox and saddle shoes comprised the students attire.

On Halloween, ghosts, goblins and other strange creatures filled the halls. Some more original costumes were a giant Easter Bunny, Count Dracula, and a black Marilyn Monroe.

Despite participation in the previous events, the inside-out day flopped! Originally a kick-off for the basketball season, most students were tired of the fad, and it fizzled.

However, dress-up days did much to enhance school spirit as well as make school days more liveable.

An added dimension to the G.H.S. guidance department this year was the College Search Room. Labeled the "career room" by its habitual attendants, its purpose is to aid juniors and seniors as they look at colleges. While the conversation should range from applications and tuition fees to board scores, it often extends to lunch menus, dances, sports events and such other unrelated topics. Its relaxed atmosphere provides a means of escape from the insanity of most study halls for those diligent seniors who need a quiet, peaceful place to work.

Although in-school activities took up most of our thinking time, one could not help but notice the world events that took place during the 1975-76 school year.

President Ford stumbled through policy making and over his own two feet while Betty practiced open mouth policy, making her one of the most candid First Ladies to be in the White House. People trying to escape the post-recession blues flocked to the theaters to see such thrillers as *Jaws*, *Earthquake* and *Towering Inferno*. Tensions mounted in Lebanon, Angola and Northern Ireland. The Steelers won the Super Bowl and Euell Gibbons died.

The basketball season began on a note of silence this year with a pep assembly but no band. This assembly proved to be even duller than usual, until cheers from the junior section rallied for the band. However these cries went unheeded, as the pep band was banned from future basketball games. However, a concerned group of angered musicians drafted a petition which acquired a total of more than two hundred signatures. This petition proved the already obvious fact that the students wanted a pep band, and it apparently got the message across as the next game began with a rousing Star Spangled Banner by the band.

The party scene has become one of students most idolized and favorite extra-curricular activities. Times have surely changed from the past years. The boundaries for "Catching a buzz" have widened to include academic students, seniors to freshmen along with the so called "freaks." It is not uncommon to walk down the hall and be hit with the aroma of a reefer. Parties, pills and plans for the weekend are discussed openly during school. It has gotten to the point where "officers of the law" have to attend sock hops to keep the juveniles under control. (Cruisers still drive for hours just checking out the happenings.) The Causeway has become a popular hangout, along with the Dungeon Room and the pool hall. Ethel's was busted and despite the heavy snowfall, carloads of students still drove to the Kiss concert in Pittsburgh.

Together Searching

Led by co-captains Dave Manes (senior) and Jeff Smiley (junior), the 1975 cross country team enjoyed a winning season, showing an 8-6-1 record. Fighting off both their opponents and the various elements of nature, the members of the team showed individual improvements throughout the season. Coach Bemis expressed pride in their progress and looks forward to next year, despite the loss of seniors Manes, Dan Glass, and Bryan Shilling. Returning lettermen are Smiley, Todd Bollenbacher, and Steve Caylor.

The 1975 varsity football team began the season with three consecutive victories. However, the following two games ended in heartbreaking defeat. After mending their broken spirits, the team pulled off an outstanding comeback and finished the season with a 7-2 record as Northwest Conference Champions!! The '75 Trojans also overwhelmed the Raiders by scoring the most points ever in a Greenville-Reynolds game with a 22-0 victory!

Led once again by Coach Ballock, and his assistants, Mr. Stone, and Mr. Yauger, the team included (bottom) Tom Barr, Mec Thayer, John Schnarre, Mike Peters, Mike Moss, Steve Bendig, Tracy Ballock, Norm Walker, Denny Stephens, Bob Gruber, Tim Engstrom, (Middle) Rick Bocook, Mike Gruber, Jon Peterson, Doug Cline, Mark Fewin, Sidy Surano, Gordon Payne, Rod Rembold, John Williams, Rod Silvis, Matt Landfried, Rick Pekala, (top) Don Lankerd, Bruce Edwards, Gary Semrock, Brian Weaver, Ron Moyer, Chuck Castiglione, Jerry Green, Greg Irwin, Jim Anderton, Matt Detelich, and Joe Staynoff. Todd Kather served as the faithful manager.

Fifteen seniors made up the nucleus of the '75 squad. Pictured at left are (bottom) Mike Moss, Tracy Ballock, Denny Stephens, Norm Walker, Steve Bendig, (middle) John Schnarre, John Williams, Mec Thayer, Bob Gruber. Joe Staynoff, Rod Silvis, (top) Tom Barr, Doug Cline, Rick Bo-cook, Mike Peters, and Jon Peterson.

Denny neared one thousand yards rushing, but fell short by 43 yards when he gained only 37 against Reynolds. This brought him first team All-Conference offensive honors. Bob and Norm also were on the Conference first team, and Norm, Tracy, and Mike Moss received equivalent defensive honors.

Row One: Tom Trimble, John Petrarca, Tom DeArment, Dave Bendig, Jay Frye, Steve Lewis, Jim Malson, Dave Gibbens, Tom McInturf, Dan Seiver. Row Three: John Stevenson, Bill Sommerfield, Tom Jones, Ed Heasley, Bob Fryman, Todd DePree, Greg Zane, Greg Zarecky, Norm Alexander, Greg Bacon. Row Four: Van Peterson, Bill Price, Cam Cianci, Jim Bocook, Steve Shimshock, Andy Stull, Randy Semroc, Jeff Steuart, Shawn Smith, Coach Miller. Row Five: Mark Giardina, Roger Seiple, Paul Bendig, Craig Sankey, Mark Brest, Gary Polkabla, Mike Milesend, Rod Corbett, Coach Hull.

Although they seldom received their share of praise, the cheerleaders lent yet another cheery note to the '75 season for our football players. They faithfully provided delicious locker decorations and colorful signs for pep assemblies and pre-games. Supporting the varsity team were (top) Molly Doddo, (left to right) Jill Johnson, Cindy Rowe, Nancy Sigler, Cathy Hawes, and Cathy Rodemoyer. The J.V. Cheerleaders were (top to bottom, left to right) Cheri Babcock, Carla Mitchell, Nancy Lightner, Michelle McClimans, and Darcie Kather.

The Trojanettes ended with a winning season for the third consecutive year with a 9-8 record. Marcia Mincer led the team with 192 points, a 34.6% shooting percentage, and 137 rebounds. Other leaders were Lex Jordan, with 21 assists, and Sandy Mayer, with a 61% free throw percentage. Terri Anderson, Patty Hawes, Sandy Mayer, Marcia Mincer and Jeri Saal are the departing senior members of the team. The Trojanettes had a J.V. team for the first time this year. Despite a 3-12 record, the J.V.'s showed encouraging improvement with every game. Managers Beth Dunn and Anne Murrin were a tremendous help to Coaches Miller and Shontz.

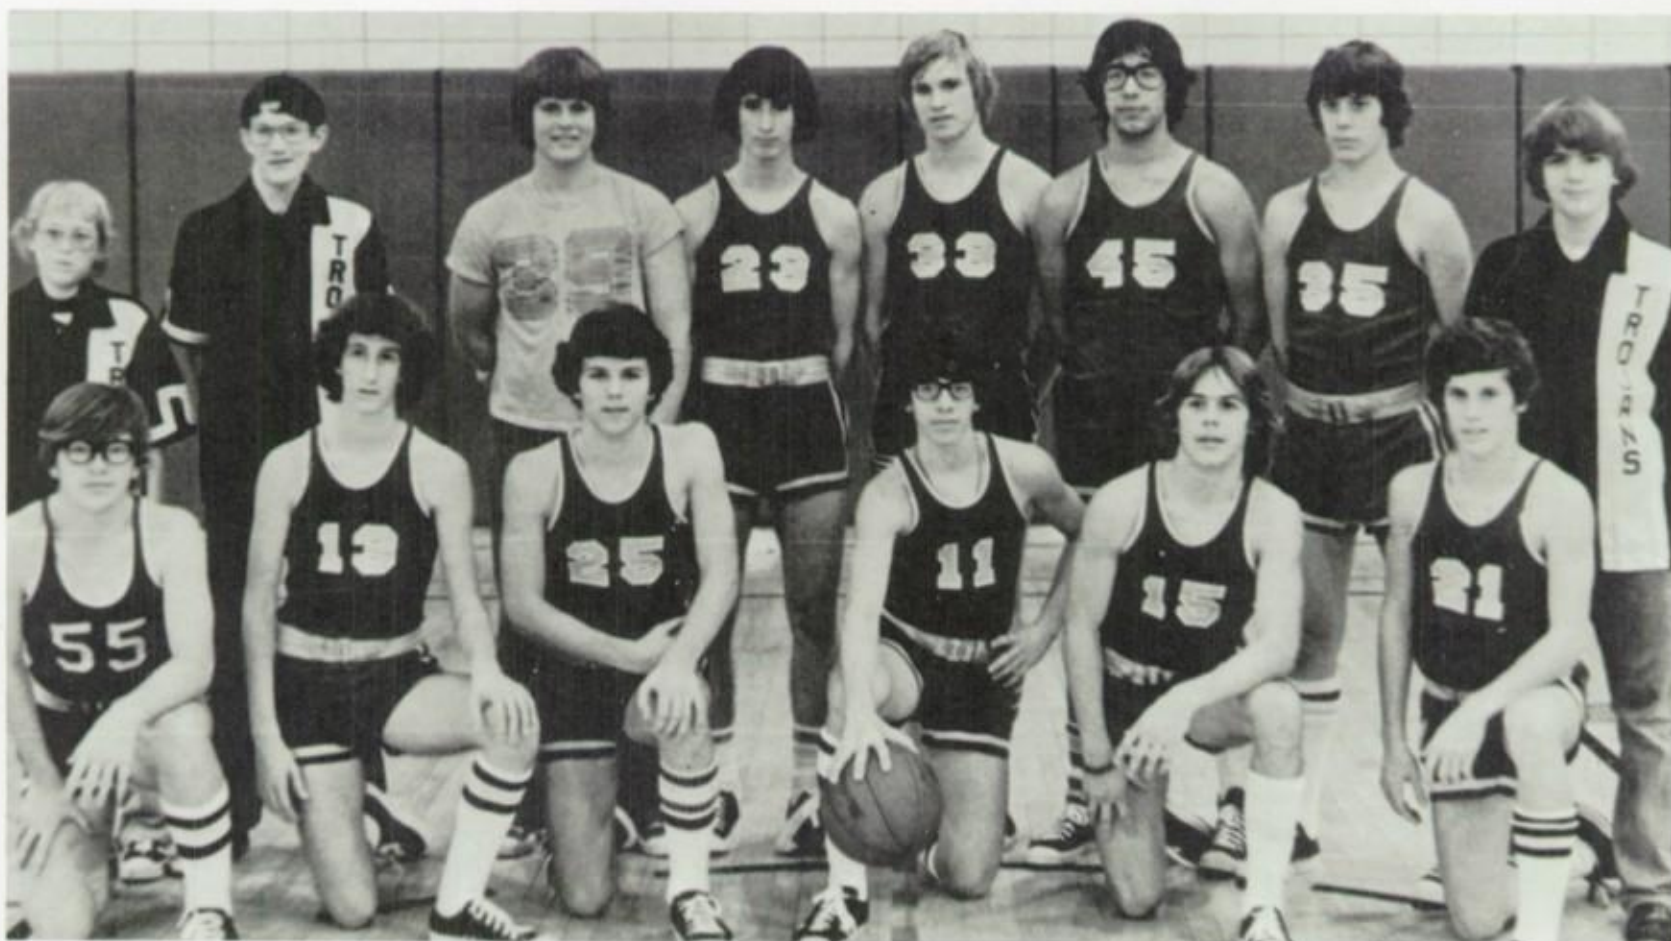

Row One: Rod Rembold, Jeff Smiley, Rod Snyder, Bob Adams. Row Two: Kris Robb, Manager; Chuck Seiver, Rod Silvis, Dave Scott, Bob Gruber, Mike Smiley, Tim Engstrom, George Crognale, Manager.

One by one the victims fell as the swath was cut; the hole was torn in the County basketball league. Decisive early-season victories made one thing clear — this year's Trojan basketball team was something special. Along the way records were set or tied, but the important goal was the first Mercer County basketball title in 40 years for Greenville and a spot in the District 10 playoffs.

The 13-1 league mark set a new record for the school, and the ten straight wins in mid-season and total regular season record of 20-2 both tied existing standards set by the 1965-66 Trojan squad. Seniors were primarily responsible for the team's success, as Dave Scott, Bob Gruber, and Bob Adams placed 1-2-3 in scoring respectively. Scott and Gruber also did an outstanding job of playing defense and rebounding, making the team's defensive record one of the best in the school's history. Seniors Mike Smiley and Rod Silvis also played major roles in the year, with Smiley supplying quickness and outside shooting as a guard and Silvis turning in superb efforts in place of both Scott and Gruber.

J.V. Basketball — Row One: Harold Polley, Randy Foust, Tom McInturf, Mark Flack, Andy Houpt, Mark Fewin. Row Two: Tim Stepp, Mgr.; John Heffern, Mgr.; Tom Gosnell, Dave Gibbens, Tab McCullough, Bill Farina, Kent Williams, Ed Craig, Mgr.

Ninth Grade Basketball — Row One: Jim Ferry, Scott Fewin, Cam Cianci, Bill Looser, Steve Couchenour, Jeff Webber, Rod Corbet, Jeff Wallace, Row two: Jeff Steuart, Jeff Craig, Todd Depree, Steve Walsh, Norm Alexander, Tom Jones, Jon Todd, Denny Hosack, Greg Bacon, Frank McElree, Paul Massie. The Junior Varsity Trojans took inspiration from their big brothers as they raced to an 18-2 mark, the best J.V. record for the school. Juniors Jeff Smiley, Rod Snyder, Mark Flack, Tim Engstrom, and Kent Williams supplied needed experience, while Sophomore Tab McCullough and Freshman Andy Houpt showed fine scoring potential.

Under Coach Gary Hull, the J.V.'s have posted a combined record of 34-5 over the last two seasons, raising the fans' hopes for the future of Greenville Basketball.

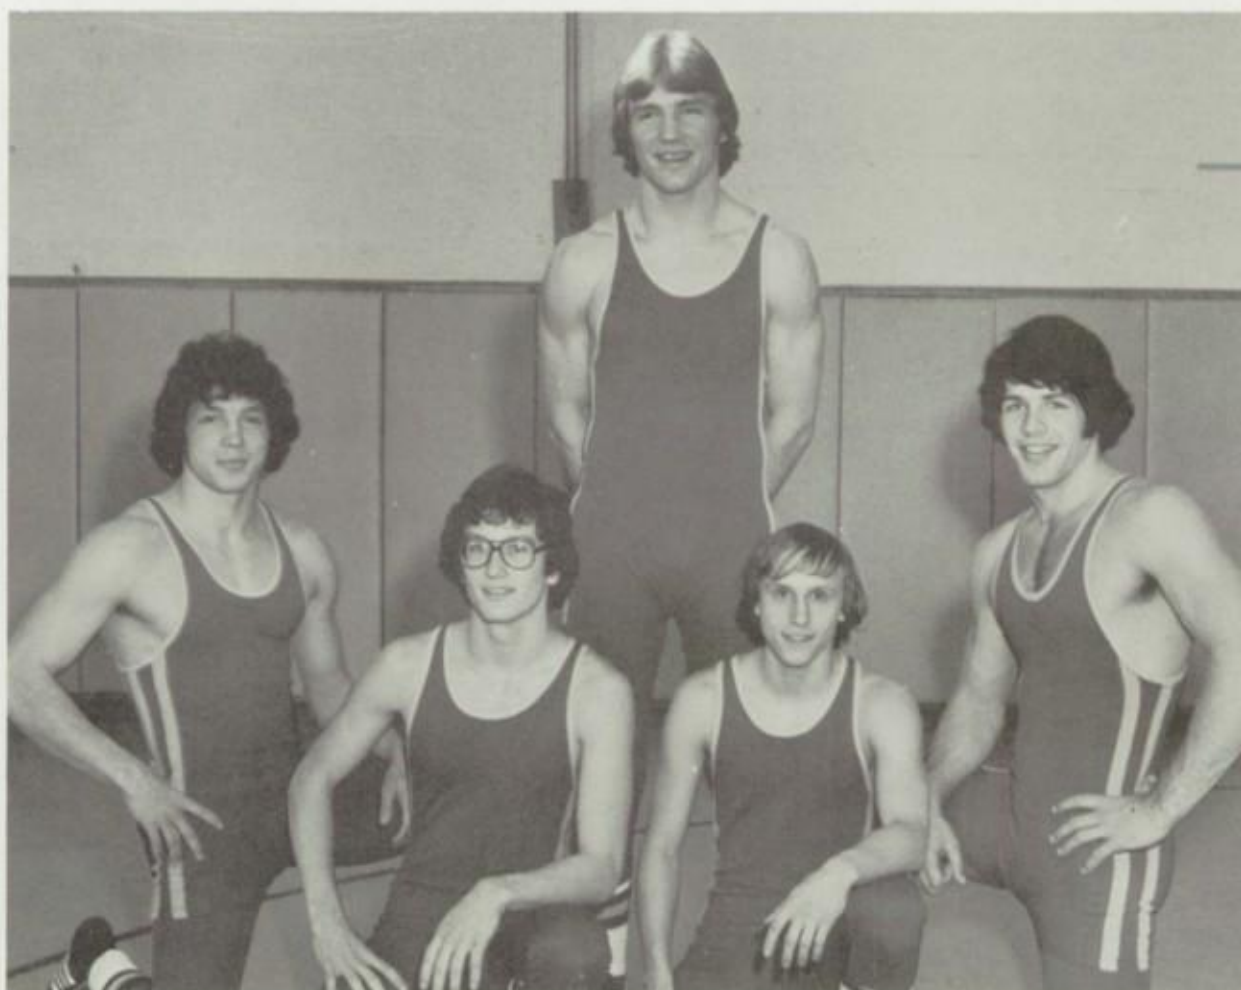

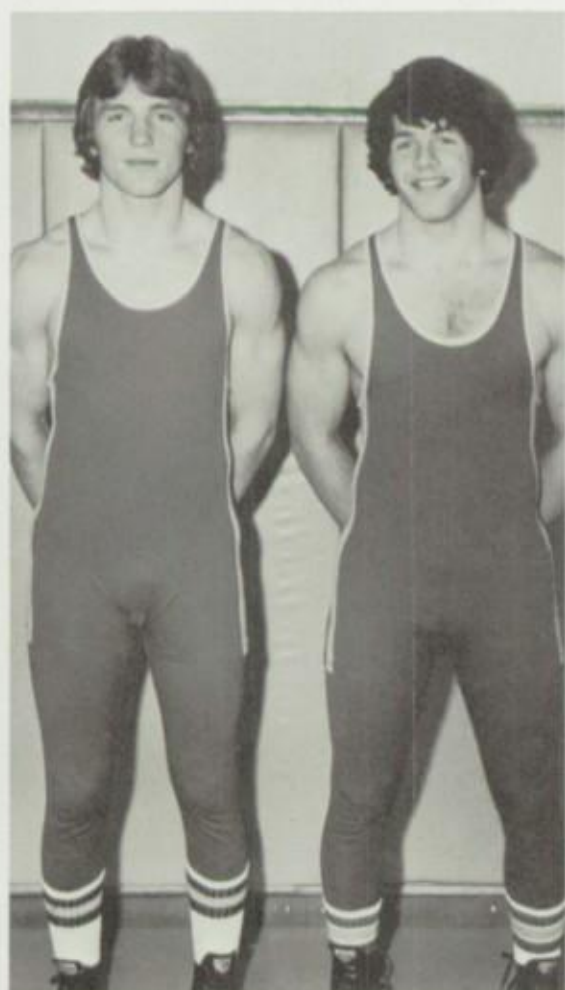

Coach John Rankin led the littlest Trojans to a winning season, his Ninth Grade team posting an 11-8 record before two post-season tournaments. Alexander, Walsh, Todd, and Hosack paced the team most of the year.

The enthusiasm and pep of the 1975-76 Basketball Cheerleaders proved to be a major asset to this year's winning teams. Their strong support continued throughout the season. This year's Varsity Cheerleaders were: Nancy Sigler, Cathy Rodemoyer, Cindy Rowe, Kelly DePree, Patty Knapp and Cynthia McWhirter. The J.V. Cheerleaders were: Nancy Lightner, Paula Williams, Lex Jordan, Mona Lauffer, Stephanie Laird, Rae Lynn Callahan, and Susie Stone.

The 1975-76 wrestling season closed with a victorious 10-4 record. Although this is the first time in 29 years the Trojans have suffered more than three losses, this is also the toughest schedule the matmen have ever had to face, with three teams being undefeated going into their matches with Greenville.

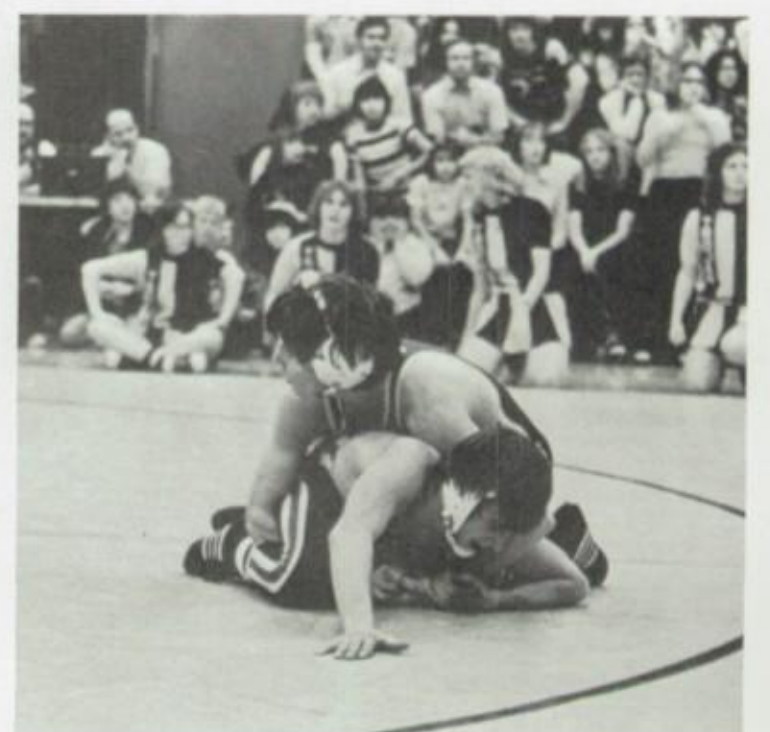

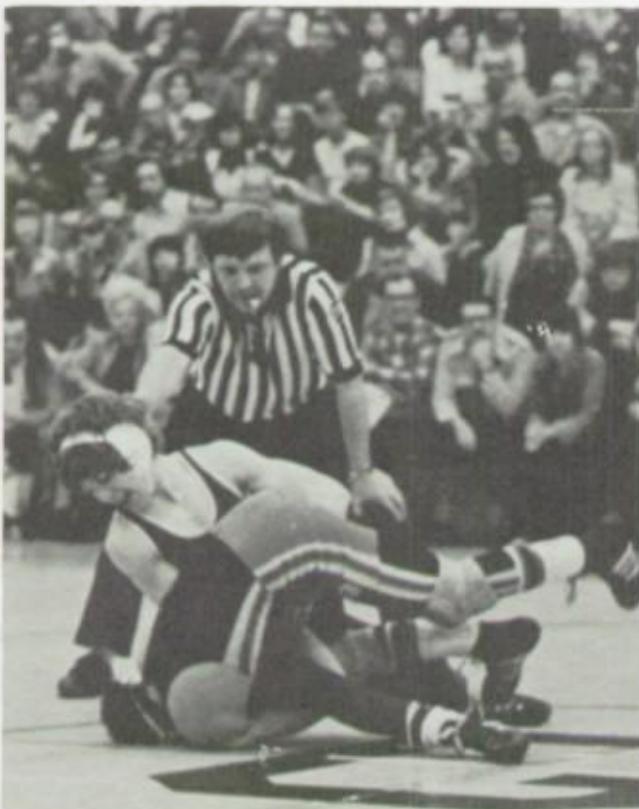

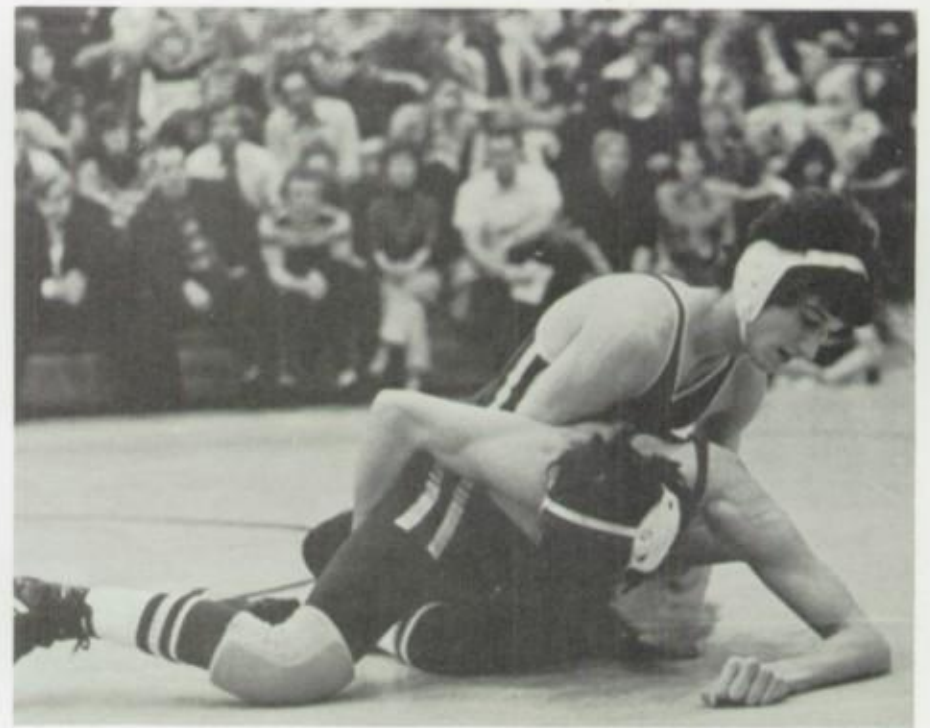

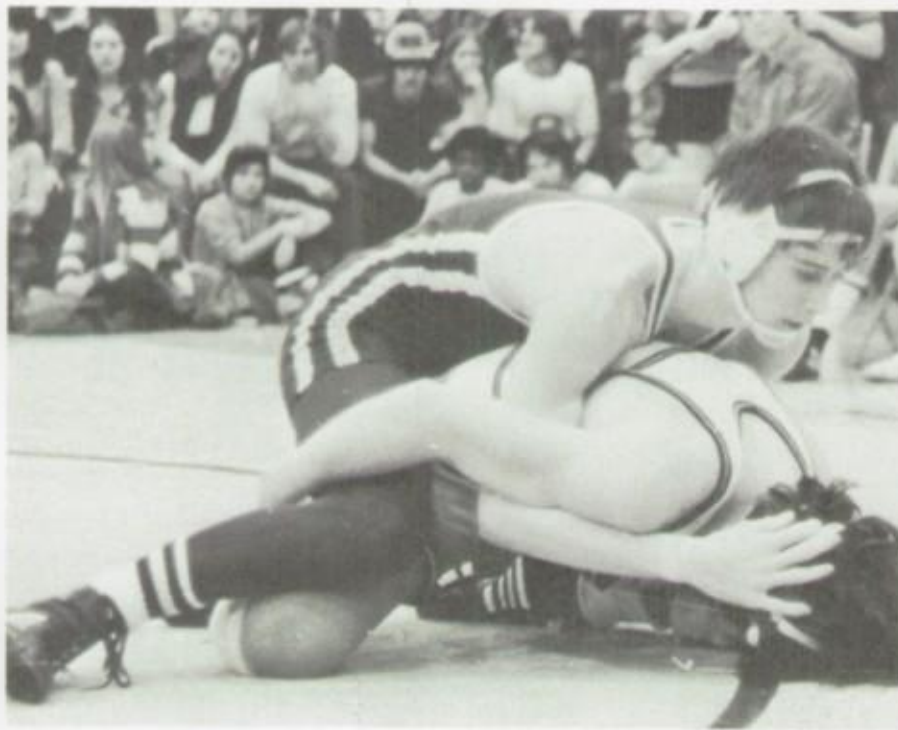

The Trojans placed fifth in the Christmas Tournament at Kenston with 79½ points. Norman Walker brought home a first place championship from the tournament.

As in previous years, the J.V. Wrestling Squad came through with flying colors as they compiled a very successful season. With a record of 11 wins and 3 losses, the grapplers show promise of becoming a strong varsity team next year. The usual lineup included: Steve Caylor, Dave Weaver, Rod Fahl, Steve Shimshock, Craig Leventry, Randy Semroc, Sidy Surano, Steve Petrarca, Dan Sievers, Jerry Green, and Tony Mosconi.

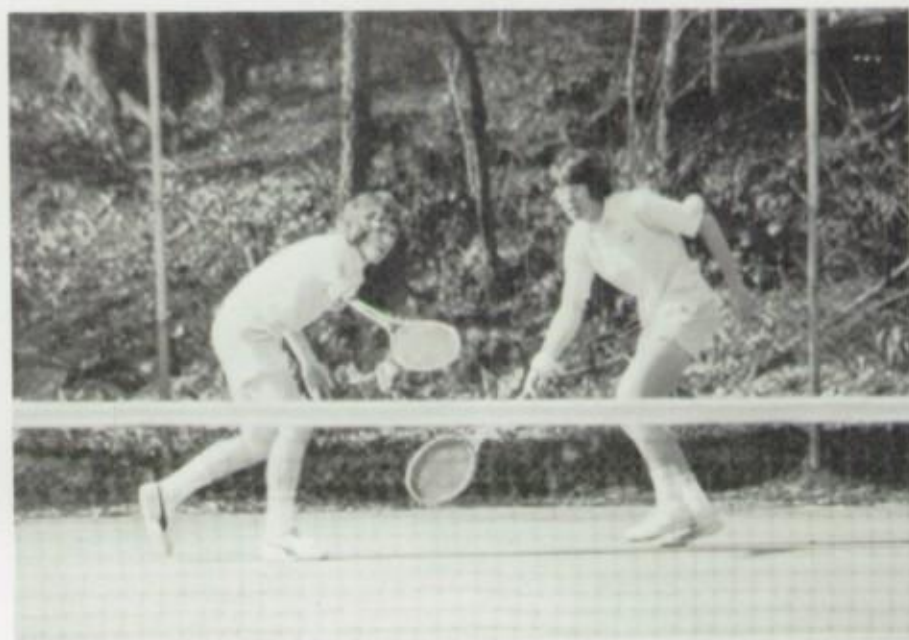

Arousing spirit among the fans, the Wrestling Cheerleaders added a spark of excitement to each match. Their unlimited enthusiasm helped support the team on home territory and as they traveled to other schools to face their opponents. The Varsity Wrestling Cheerleaders for the season were: Jill Johnson, Robin Loutzenhiser, Lori Moss, Sandy Lysek, Cathy Hawes, and Molly Doddo. Girls on the J.V. Squad were: Cheri Babcock, Michelle McClimans, Bonnie Seiple, Carla Mitchell, Darcie Kather, and Lauren Stull.

Many athletes have brought state-wide recognition to G.H.S. athletics, but the heights reached by Norm Walker have been surpassed by few. Wrestling at Unlimited in his freshman and sophomore years and 185 pounds in his junior and senior years, Norm became the first Pennsylvania scholastic wrestler to total 100 career wins. In addition, he has surpassed the former state pin record of 52 with 66 total falls, total falls.

Dedication and hard work made it possible for the first-year tennis team to produce a winning season. When practice began, team members were forced to shovel snow off the courts in order to play to get in shape for the upcoming matches. Under the professional direction of Coach Ross, the racketeers slumped to a 2-5 record before bouncing back with six straight wins, ending the season with a record of 8-5. Relentless practice took them to the doubles tournament in Rocky Grove in April and the District Ten singles and doubles tournament in May. The team included Jeff Scott, Rick Beilstein, Tom Dowdell, Mark Flack, Chuck Longiotti, Mike Sweeney, Randy Curtis, Dave Kidd, Bill Farina, Mark Keller, Mark Step-
anic, Chris Keller, and Don Boliver.

The long and grueling practices once again paid off the the G.H.S. track team in 1975. Under Coaches Kokoski, Hall, and McElhinny, the thinclads established a 7-2 record and repeated as District 10 champions for the fourth consecutive year. Seven members reached the state meet, where senior Mike Russell placed second in the 330 intermediate hurdles.

In its first full season as an interscholastic varsity sport, the girls track team finished with a 3-4 record in official meets. Mr. Rankin assumed the coaching duties for the group, who provided an added attraction at most of the guy's meets.

In May, the GHS gymnasts embarked on a "Sentimental Journey." They demonstrated their fine abilities in floor exercise, modern dance, tumbling, balance beam, parallel bars, rings, high bar, and trampoline. Also featured were a scrub-women skit and various dance steps to hits from the 1950's. Although many injuries occurred in the weeks of practice prior to the performance, the show went as scheduled and provided an enjoyable hour of entertainment.

Due to a state law requiring that all students be given a chance to participate in sports activities other than varsity sports, an intramural program was initiated at G.H.S. Under the supervision of Miss Bost and Mr. Irwin, various sporting events were carried out throughout the year. The year started with a Superstars program consisting of such events as tug of war, push the volkswagen, obstacle course, water brigade and the five legged race. Other sports which were offered were bowling, volleyball, basketball, girl's and boy's soccer, tennis and golf.

The program provided much enjoyment to all students who participated. In doing so, it fulfilled its purpose which was to let the students have fun without becoming involved in the pressures of competition.

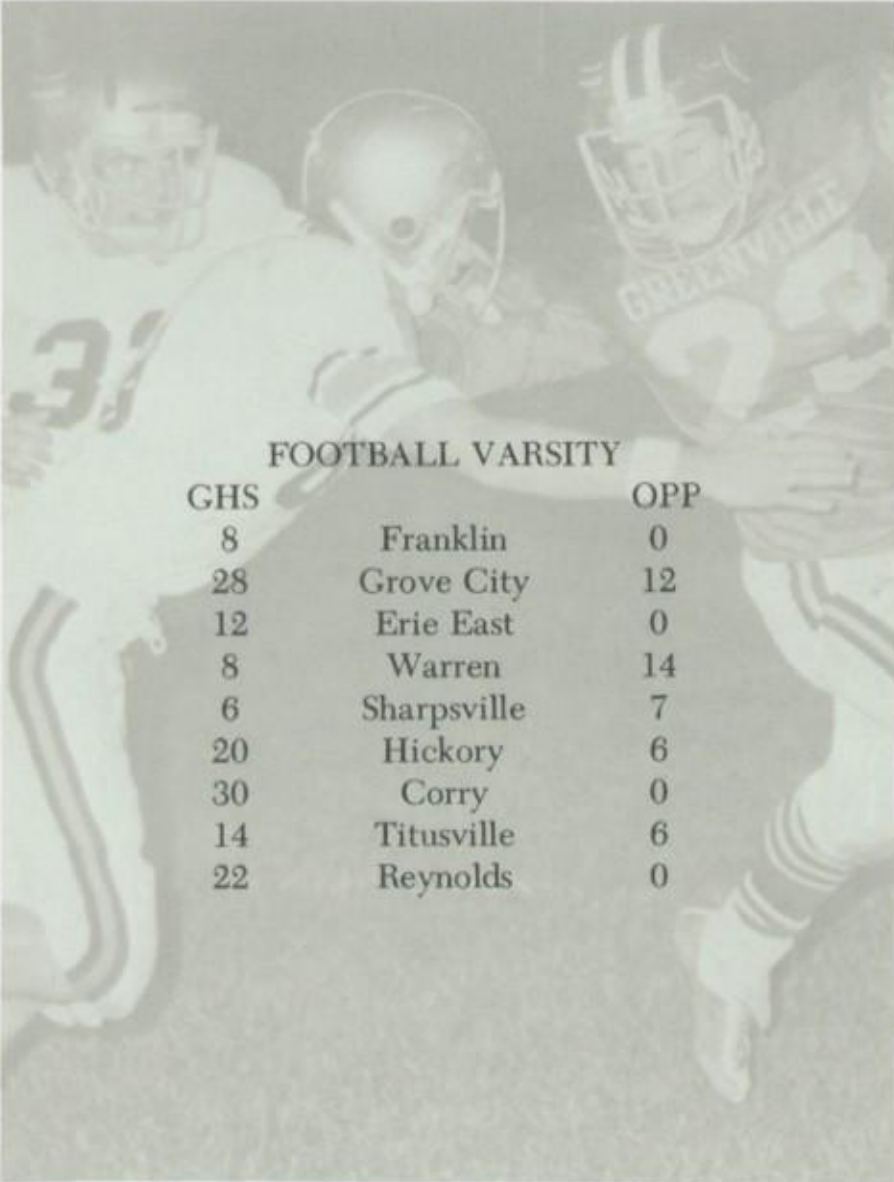

Row One: Tim McElree, George Crognale, Chris Homan, Jim McInturf, John Schnarre and Coach Yauger. Row Two: Tom McInturf, Tab McCullough, Jon Ross, Ken Paulovkin and Art Brown.

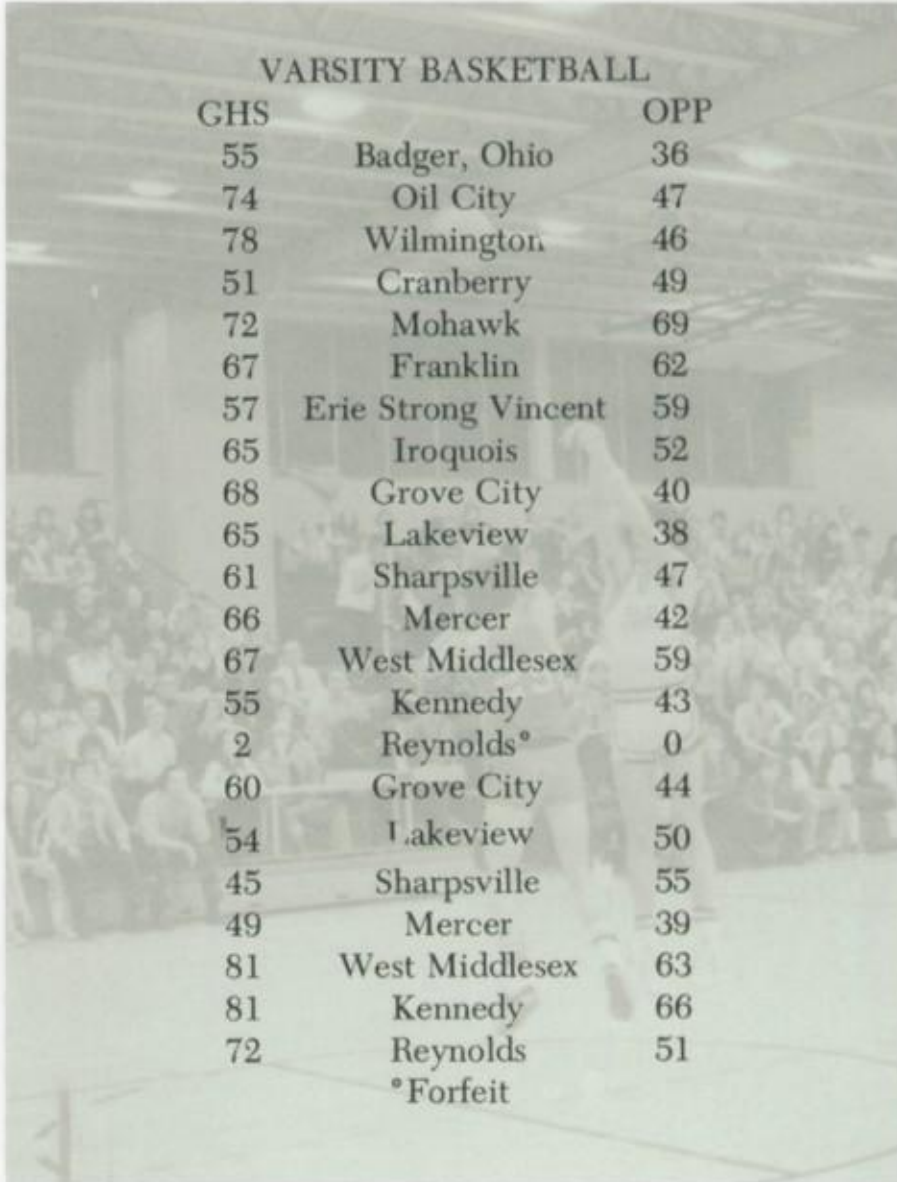

The 1975 golf team, under coach Richard Yauger, enjoyed one of its most successful seasons by defeating 13 of their 14 opponents. The golfers scored 160½ points while allowing the opposition only 49½. This record enabled the team to clinch the Mercer County League Championship for the first time since 1963. The team consisted of 2 seniors, 2 juniors, 1 sophomore and 6 freshman.

Senior Chris Homan captured low average honors with 78.4. Teammate Jim McInturf accumulated the greatest number of team points with 33½ and also received the Ambassador Award.

NATIONAL HONOR SOCIETY — Chosen in the spring of their junior year, these students were selected to become members of the National Honor Society. Selection was based on the qualities of service, leadership, character, and scholarship. Colleen Bronder serves as the President, Tracy Ballock, as Vice President, and Julie Waith as Secretary-Treasurer. The advisor is Mr. Speigle.

STUDENT COUNCIL — Reviewing the Student Bill of Rights and Responsibilities was the major concern of the 1975-76 Student Council. Led by President Colleen Bronder, the group served as social coordinator, organizing soc-hops, planning homecoming activities, and seeking speakers for assemblies. Their duties also included reserved seat ushering at home football games and cabinet meetings with Mr. Scott. The other officers were Kory Mazzeo, Vice President, and Tina Cianci, Secretary-Treasurer.

DATELINE: GREENVILLE.
Under the supervision of Mrs. Kollar and editor Mark Keller, the Troy Times resumed its place as a regular part of the school scene. By producing issues at approximately six-weeks intervals, the staff kept atop current affairs at G.H.S. Dave Kendra and Cherie Hodge, co-editors, assisted in the presentation of the latest news.

RESOLVED: The organization originally known as the Debate Club expanded the scope of its activities, blossoming into the new vibrant Forensics Club. Representing the group at a Bicentennial Debate in Grove City, freshmen George Reese, Dave Montgomery, and Carl Nicklaus comprised one of the best first-year teams. These "Forensic Fellows" also participated in theater and radio work. Debate YES! NO! YES! NO! O.K., let's compromise.

FRENCH CLUB — Though smaller than it had been in the past years, the French Club nonetheless was composed of students genuinely interested in the French language. Under the leadership of officers Julie Waith, John Kusich, Pam Raber and Tina Cianci, the club went roller skating, played volleyball and engaged speakers for their monthly meetings. As a special event, the French Club travelled to Whitecliff Nursing Home where they sang Christmas carols. Mr. Jacobson served as advisor and activities were concluded with the annual spring banquet.

LATIN CLUB — Under the leadership of Pro Consuls Doug Ramsey and Sylvia Little, the Latin Club participated in various events throughout the year. In addition to their monthly meetings, these events included volleyball and roller skating as well as the annual Christmas banquet. Officers who assisted the Pro Consuls were Marica Bernstein, Quae Stoi and Nancy Sigler, Aedile. Mr. Ross served as advisor.

GERMAN CLUB — Composed of 101 enthusiastic members, the German club comprised the largest organization at G.H.S. With their objectives of furthering the knowledge of the German language through the study of the literature and culture of the country, the club started their yearly activities early by traveling to Latrobe to attend a German festival, celebrating the Oktoberfest, and taking in a Pirate baseball game. Led by President George Marguglio, the club staged different activities each month throughout the year. These activities consisted of pretzel making, dancing, folk singing and participation in language contests. Other officers who assisted the president were Vice Presidents Matt Portz, Tim McElree and Karen Gano, Secretary Julie Johnson and Treasurer Lynn Melvin. Serving as advisor was Mrs. Brady.

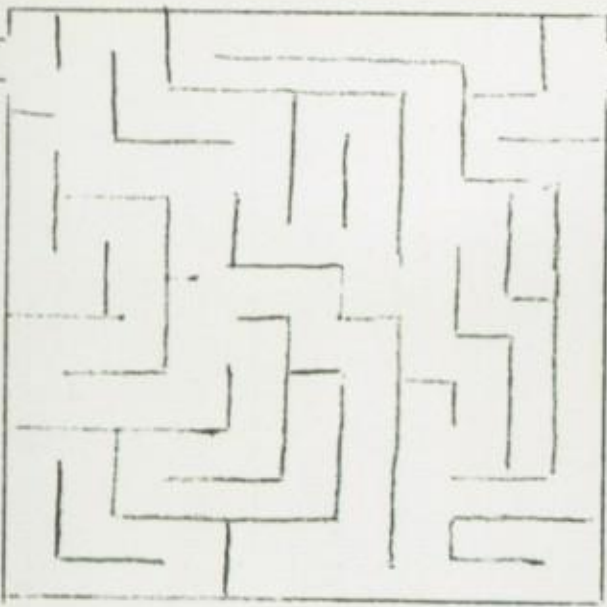

SPANISH CLUB — The Spanish Club's purpose was to further interest in the culture of Spain. Directing the club's activities were President Sue Achenbach, Vice-President Kory Mazzeo and Secretary Debbie Collins. The year's activities included volleyball and the annual spring dinner. The advisor was Mr. Jordan.

BIOS CLUB — The Bios Club consists of academic students having an enthusiastic interest in biology. This active club annually sponsors a Sadie Hawkins dance for the student body in the Fall. Members further their education by viewing environmental movies, listening to guest speakers, and participating in field trips. Officers are Matt Portz, President; Sylvia Little, Vice President; and Sylvia Hoffman, Secretary-Treasurer. Mr. DeFrance is the advisor.

CHESS CLUB — The Chess Club meets Wednesday nights after school and practices for the play-off matches that will decide the top five or seven places. These top men compete with clubs from surrounding schools. Bill Fonner, President; Andrew Griffin, Vice-President; and Dave Kidd, Secretary-Treasurer were chosen to lead the club this year. Their advisor is Mr. DeFrance.

LIBRARY CLUB — The officers of the Library Club are Patty Knapp, President; Cathy Rodemoyer, Vice President; and Nancy Christman, Secretary-Treasurer. Members exchange gifts at the Christmas party and donate a decorated tree to a needy family in the community. In the Spring, Library Club members create their own unique banana splits at a Sunday-Monday party. Other activities of the club include bowling, sled-riding, and playing volleyball. Mr. Fagley is the advisor.

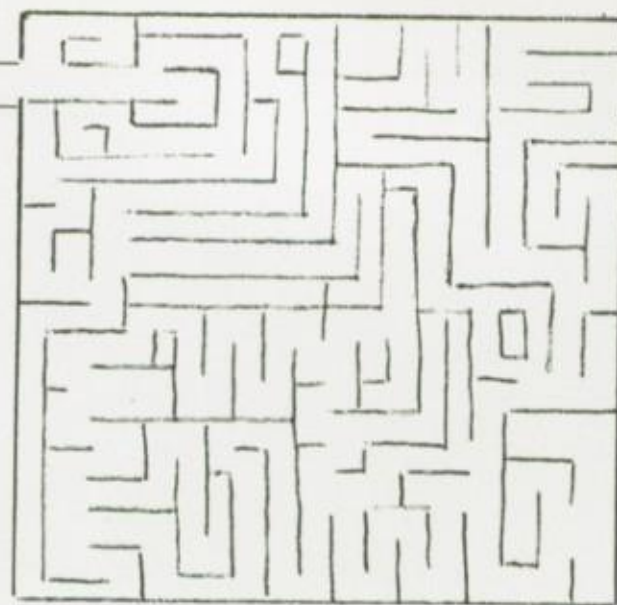

V.G. CLUB — Athletes who have earned a letter are eligible for membership in the V.G. Club. Money from their candy sale in the Fall is used for purchasing jackets and treating their fathers at the father-son banquet in the Spring. V.G. Club sponsors various soc hops throughout the year and an annual Christmas dance at Schusters for members. Programs for wrestling, basketball, and football games are sold by the club also. Jim Bollenbacher is President, Tracy Ballock is Vice President, and Rod Silvis is Secretary-Treasurer. Mr. Yauger and Mr. Bemis are in charge of the V.G. Club.

P.Y.E.A. — The Pennsylvania Youth Education Association is a small group of students interested in pursuing a career in education. The group volunteered to sell the mums for Homecoming. Advisors for the P.Y.E.A. are Mr. Marantis and Miss Gutowski. ACTION CLUB — The Junior-Senior Action Club is a group of girls who provide services for the school and the community. This year, during the Christmas season, they presented a program to the people at St. Paul's Home for the Aged. Annually, this club decorates the Christmas tree which stands in the main entrance hall. Also, the juniors usher for Commencement and Vespers. Mrs. Greaf is the advisor for this club. Roxann Turcic is President; Georgia Rougas, Vice President; Mary Frampton, Secretary; and Melinda Valena, Treasurer.

HOMEMAKER'S CLUB — Both of the Homemaker Clubs are very active. Mrs. Pisani is the advisor of the Junior-Senior group. The officers are Terri DiGiandomenico, President; Sue Guerrini, Vice President; Beth Simons, Secretary; Lucy Stoyer, Treasurer. Geri Weaver is President of the Freshman-Sophomore group. Debbie Anderton and Cheryl Crawford are the Vice-Presidents; Carla Jo Williams, Secretary; Kathy Mallin, Treasurer; and Cindy Glosner, special projects. Both groups meet once a month. Their activities consist of speakers, demonstrations, and special crafts. The groups have separate money making programs. At the end of each year they take a trip to Cleveland or Pittsburgh, shopping and viewing sights of common interest.

The Thespian Society Members were chosen in the spring of their junior year and fall of their senior year. Selection is based on performance in the theatre arts. This year's members participated in *Annie Get Your Gun*, *The Miracle Worker*, *Our Town*, and *Oklahoma*. The troupe is led by President Jenny Hawke, Vice-President Sylvia Hoffmann, Secretary Sam Westover, Treasurer Sherrie Smith, Records Clerk Dave Williams, and Advisor Mrs. Louden.

The Art Club, headed by President Jill Cook, contributed to our town's Bicentennial by painting a patriotic mural in the downtown business district. They made posters for various activities in the community, went on several field trips and had a Christmas party. The club ended the year by presenting an art show in the spring. Other officers are Cheryl Sheppard — Vice President, Kim Fry — Secretary, Mary Frampton — Treasurer and Sue Bervinkle — Historian. Mrs. Buyan and Mr. Drennan are advisors for the club.

First steps toward putting the 76 *Troian* together began last May at McKeever Center where a select group of Greenville riff-raff met for their first time. Seventy-two meetings, one barbecue, and innumerable clandestine gatherings later, the book was finished. This year there was a record membership of 26, consisting of 21 seniors and five juniors who helped finish the year out. Unable to fit this sizable pack into the sardine can of a room near the gym, yearbookies were found sprawled throughout the school trying to meet the next deadline. Despite the accommodations and the large group, the laughter and the bull sessions took away the fatigue of the long hours of work.

The 1976 *Troian* was published by Herff Jones, Inc. The copy was printed on Velva Brite paper in Caledonia Bold type. The cover was designed by Colleen Bronder from suggestions by John Evans.

Special thanks go to Cheryl Sheppard for designing the title page, Mr. and Mrs. Henry Morgan for the professional photography, the *Record Argus* for additional photos and sports information, Mr. Tom Chaffee (Herff Jones representative), Editor Tina Cianci, and Mr. Paul J. Miller for always being there when we needed them.

"MIRACLE WORKER"

The powerful struggle of a blind girl trying to break the bands of her darkness gripped two full audiences for the Junior Class performance of "Miracle Worker". The inspiring story of Helen Keller and her strong-willed teacher Annie Sullivan came to life in the hands of Sylvia Hoffman and Jenny Hawke, respectively, while the emotion-packed roles of the Keller family members were capably filled by William Ingersoll, Sherrie Smith, Dave Williams, and Joy Aubel. Other cast members included Sam Westover, Mary Frampton, Paula Riley, Chris Mitchell, Lee Courtney, Brian Christman, Cynthia McWhirter, Nancy McElree, Gretchen Wolff, Elizabeth Yauger, Lynn Fagley, and Lisa Loudon. Mrs. Loudon's direction and technical work by Mr. Miller and student teacher Tom Munnell molded the talents of an inexperienced cast into an outstanding dramatic performance.

"OUR TOWN"

Early small-town America served as the backdrop as the Senior Class presented Thornton Wilder's "Our Town." Wilder's play examines the mystery of life by following Emily Webb through Daily Life, Love and Marriage, and finally Death. Sylvia Hoffman played Emily, drawn hauntingly through the human drama by an inexorable Fate, portrayed by the omnipresent Stage Manager (Bill Ingersoll). Life in Grovers Corners, N.H., passed in its daily ritual as the main characters spun toward their deaths. Dave Williams and Sherrie Smith as Dr. and Mrs. Gibbs, Chris Mitchell and Paula Riley as George and Rebecca Gibbs, Sam Westover and Jenny Hawke as Mr. and Mrs. Webb, and Phil Perrotti as Wally Webb were the main characters, united by the marriage of George and Emily. Kent Stewart, Julie Waith, Brian Christman, Dave Manes, Lee Courtney, John Kusich, Dave Kidd, Cindy Brown, Mary Frampton, Pam Dodson, Denise Alexander, Joy Aubel, Wayne Potase, Kim Logue, Evelyn Goldhart, and Karen Bacon rounded out the population of Grovers Corners. Mrs. Loudon's direction, Mr. Petuch's set design, and Miss Mott's costume coordination pulled the entire production together.

The 1975 Art Show, coordinated around the theme "Minds and Media," featured several categories of student work expressing their minds in all types of media. Awards were presented in drawing, printmaking, ceramics, crafts, sculpture, water colors, oils and acrylics, and mixed media. Mrs. Buyan and Mr. Drennen were advisors for the show, which was high lighted by announcement of officers for the 1975-76 year. The success of the show was due to the efforts of the many aides, demonstrators, and greeters who served refreshments and provided assistance to some six-hundred persons in attendance. The annual Administrative Award was presented to '75 Senior Ed Stitt, who continued his art education at Kent State University.

Fifth period daily, the Concert Choir met and rehearsed with a different atmosphere each time. The director, Ted Young, worked diligently to build an enthusiastic, communal feeling amid the group. With a wide range of music and a heavy accent on American composers and patriotism, the 111-member choir presented three assemblies before the holiday vacations. The singers also performed a special concert in January and the annual Spring Concert in May. Officers this year were Dave Manes, president; Sam Westover, vice president; Georgia Rougas, secretary; and Mary Ann Reimold, treasurer. Several members of the choir accepted the opportunity of extra musical festivals with select members of choirs from five counties. Caroline Beaver, Kevin Forcier, Sam Westover, Chris Keller, and David Jaxtheimer auditioned and participated in an Honors Choir at Westminster College. Sam Westover, Kevin Forcier, Dave Manes, Caroline Beaver, and Kim Nace attended District Chorus. After competing there Sam Westover, Kim Nace, and Caroline Beaver attended Regional Chorus. Sam Westover, a truly talented vocalist, was selected to attend a State Chorus festival in January.

Eight people are selected from the Greenville Singers to make-up the Double Quartet. They perform for assemblies and with the Greenville Singers. The primary concern in this group is the blending of the individual tones. Bases are Norman Walker and Matt Portz; tenors are Dave Williams and Sam Westover; altos are Joy Aubel and Dawna Milford; sopranos are Caroline Beaver and Kim Nace.

Double Quartet

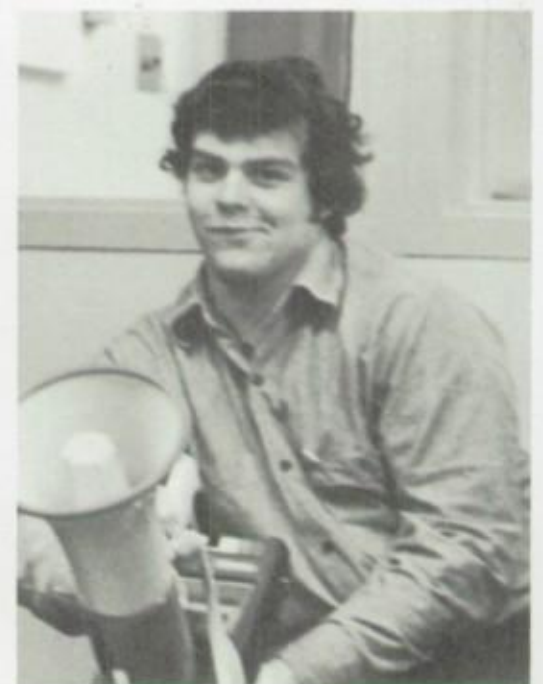

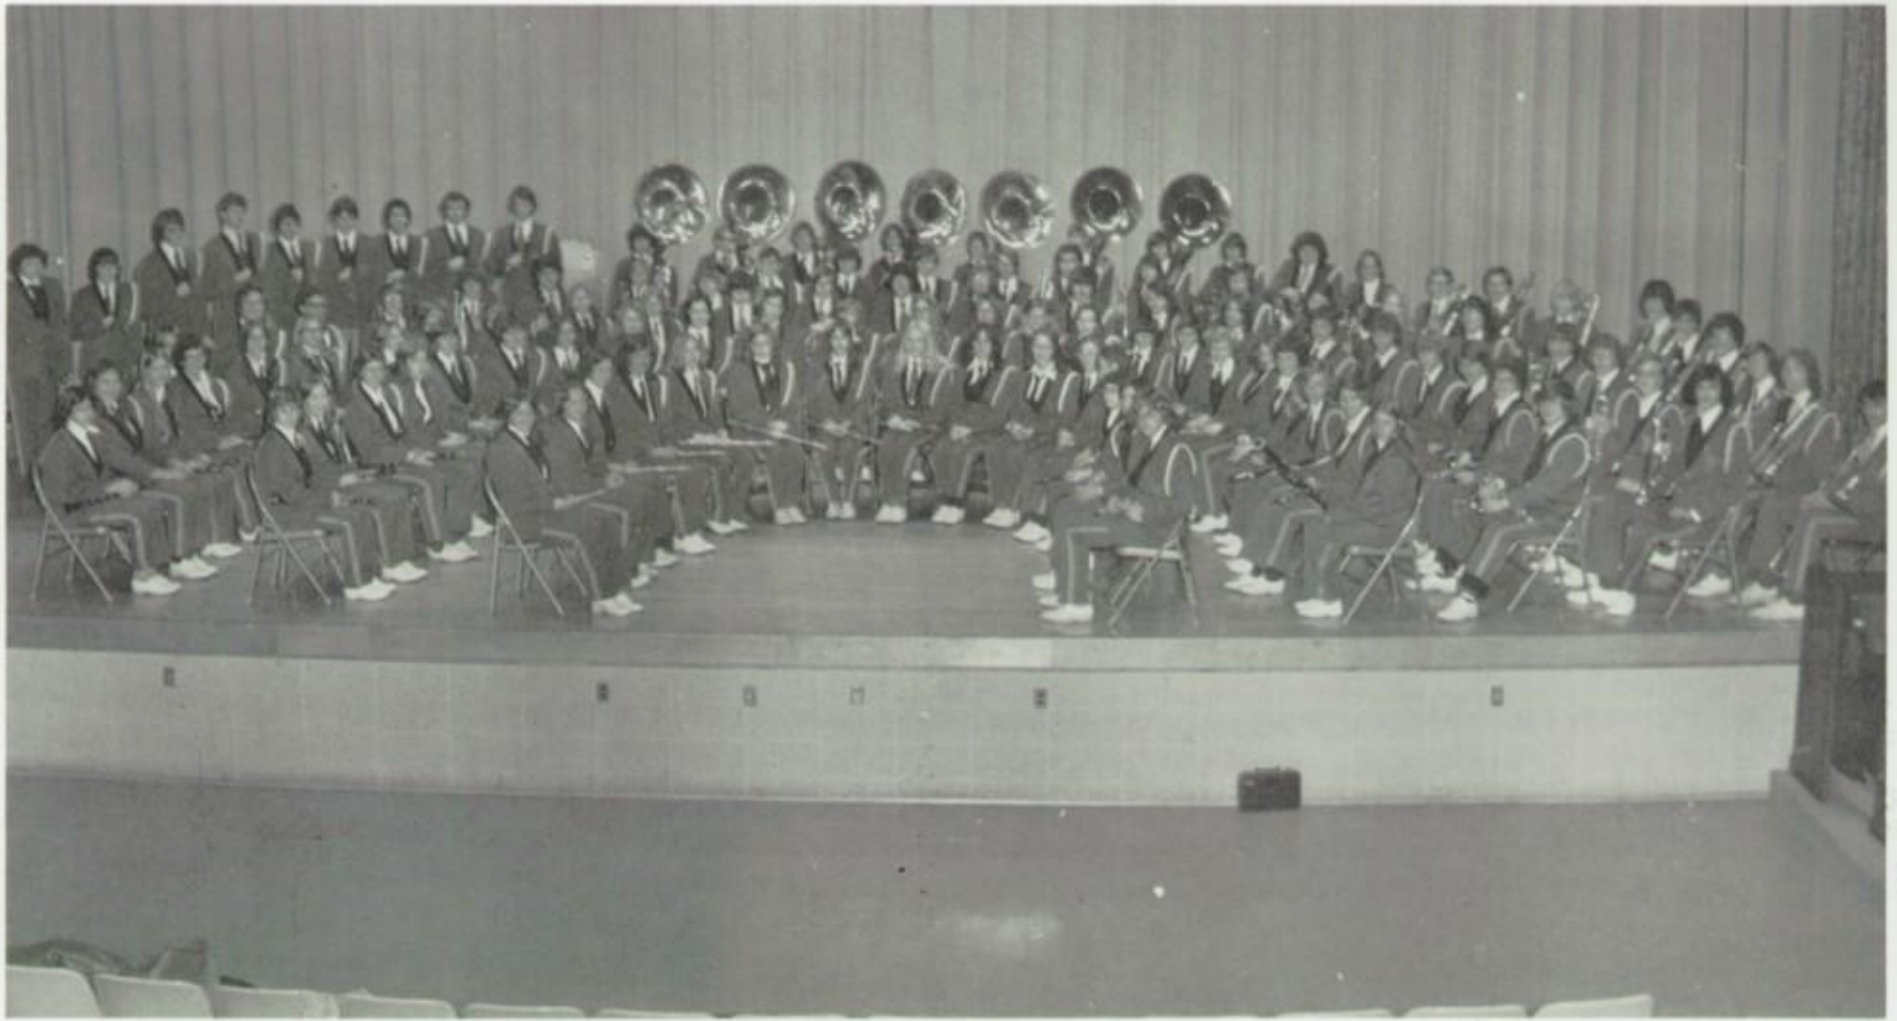

The Greenville Singers is a group of selected vocalists who perform for many different clubs and organizations. The singers, performing frequently during the school year, give many people of the community who did not have an opportunity to hear a sampling of concert choir melodies a chance to do so.

An act which brought surprising enthusiasm to otherwise lifeless audiences this year was the Barbershop Quartet. Keeping with the popular theme of nostalgia, the vocalists, attired in styles of the 50's and complete with their own choreography, performed a medley of the decade's hits.

Joining the various other performing groups at school assemblies was the Ninth Grade Chorus, who added a lighter vein to the shows with pop and folk songs. Comprising one of the largest choruses ever, this group showed steady improvement throughout the year in sound as well as enthusiasm.

Any girl in grades 10-12 who had the desire to sing could fulfill her wishes by joining the girls' chorus. Concentrating for the most part on pop tunes, the girls were always an enjoyable part of choral performances.

The 1975-76 Concert Band season started in November with hopes of a trip to Buffalo in December where the Marching Band would have performed the halftime show for a pro-football game. However, the 'Bills' were defeated and the band members continued their season with few outward signs of disappointment, turning their thoughts to the Washington trip in June. With eyes glued to music, the players prepared a Bicentennial concert, along with the annual Winter and Spring Concerts. Chris Mitchell was given the title of President of the band, John Bortz; Vice President and Kim Nace; Secretary/Treasurer. Kim Nace, Kathy Haley and Cindy Sheppard on flute; John Whitecar on tuba and Chris Mitchell on snare attended Honors Band at Westminster College. Those who attended District Band were John Ferry, trumpet; John Whitecar, tuba; Carolyn McMasters, bassoon and Kim Nace, flute. Other instrumentalists attended District Orchestra; Dawn Cianci, Caroline Beaver and George Marguglio on violin; Terry McDonald, bass; John Whitecar, tuba; Carolyn McMasters, bassoon and Kathy Haley, flute. Kim Nace was selected to play in the Mid-East Symphonic Orchestra. The interest of the students in these outside festivals continues to be an inspiration to the other members of the band.

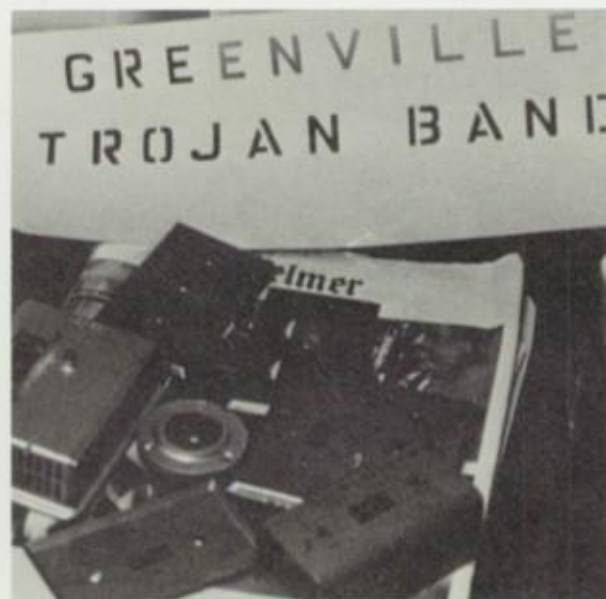

Senior Trojanettes

With a flash of light, a cloud of dust, and a hearty "heigh-ho Silver," the 1975-76 Trojanette Drill Team pranced onto the field for one of the most exciting half-time shows ever. Another feature was their weekly presentation of the American flag in the pre-game shows. Captains Sylvia Hoffman and Jenny Hawke capably led the 25 member group. Seniors of this year include: Sylvia Hoffman, Pam Dodson, Debbie Schnarre, Jenny Hawke, Sherry Robertson and Kenda Cooper.

During the last week in August, the marchers assembled and began a week of labor, laughter, and liquid (in the form of sweat and orange drinks). The new tar from the parking lot was carried away on everyone's tennis shoes. The band camp week ended with the election of officers who passed out the hoped-for DQ treat.

The mood of the group throughout the entire season was one of cooperation and concentration. The attitude seemed to be one of "work together and do the thing right."

The first show was rained out to the band's disappointment, but successful shows included the crest formation pictured on the next page (the flag is 30 feet by 18 feet and was made by Mrs. Anderson and her mother and mother-in-law), a train with working smoke stack and rotating wheels, a radio with turning dials, and a bicentennial cake with flaming candles.

The announcer for the season was Matt Portz. Under the direction of Mr. Jack Anderson with help from Mrs. Peggy Anderson and head drum majorette Dawn Cianci, we present the 1975 G.H.S. ...

MARCHING BAND

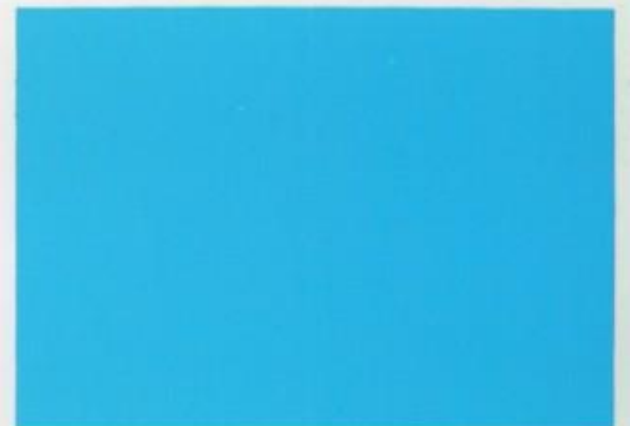

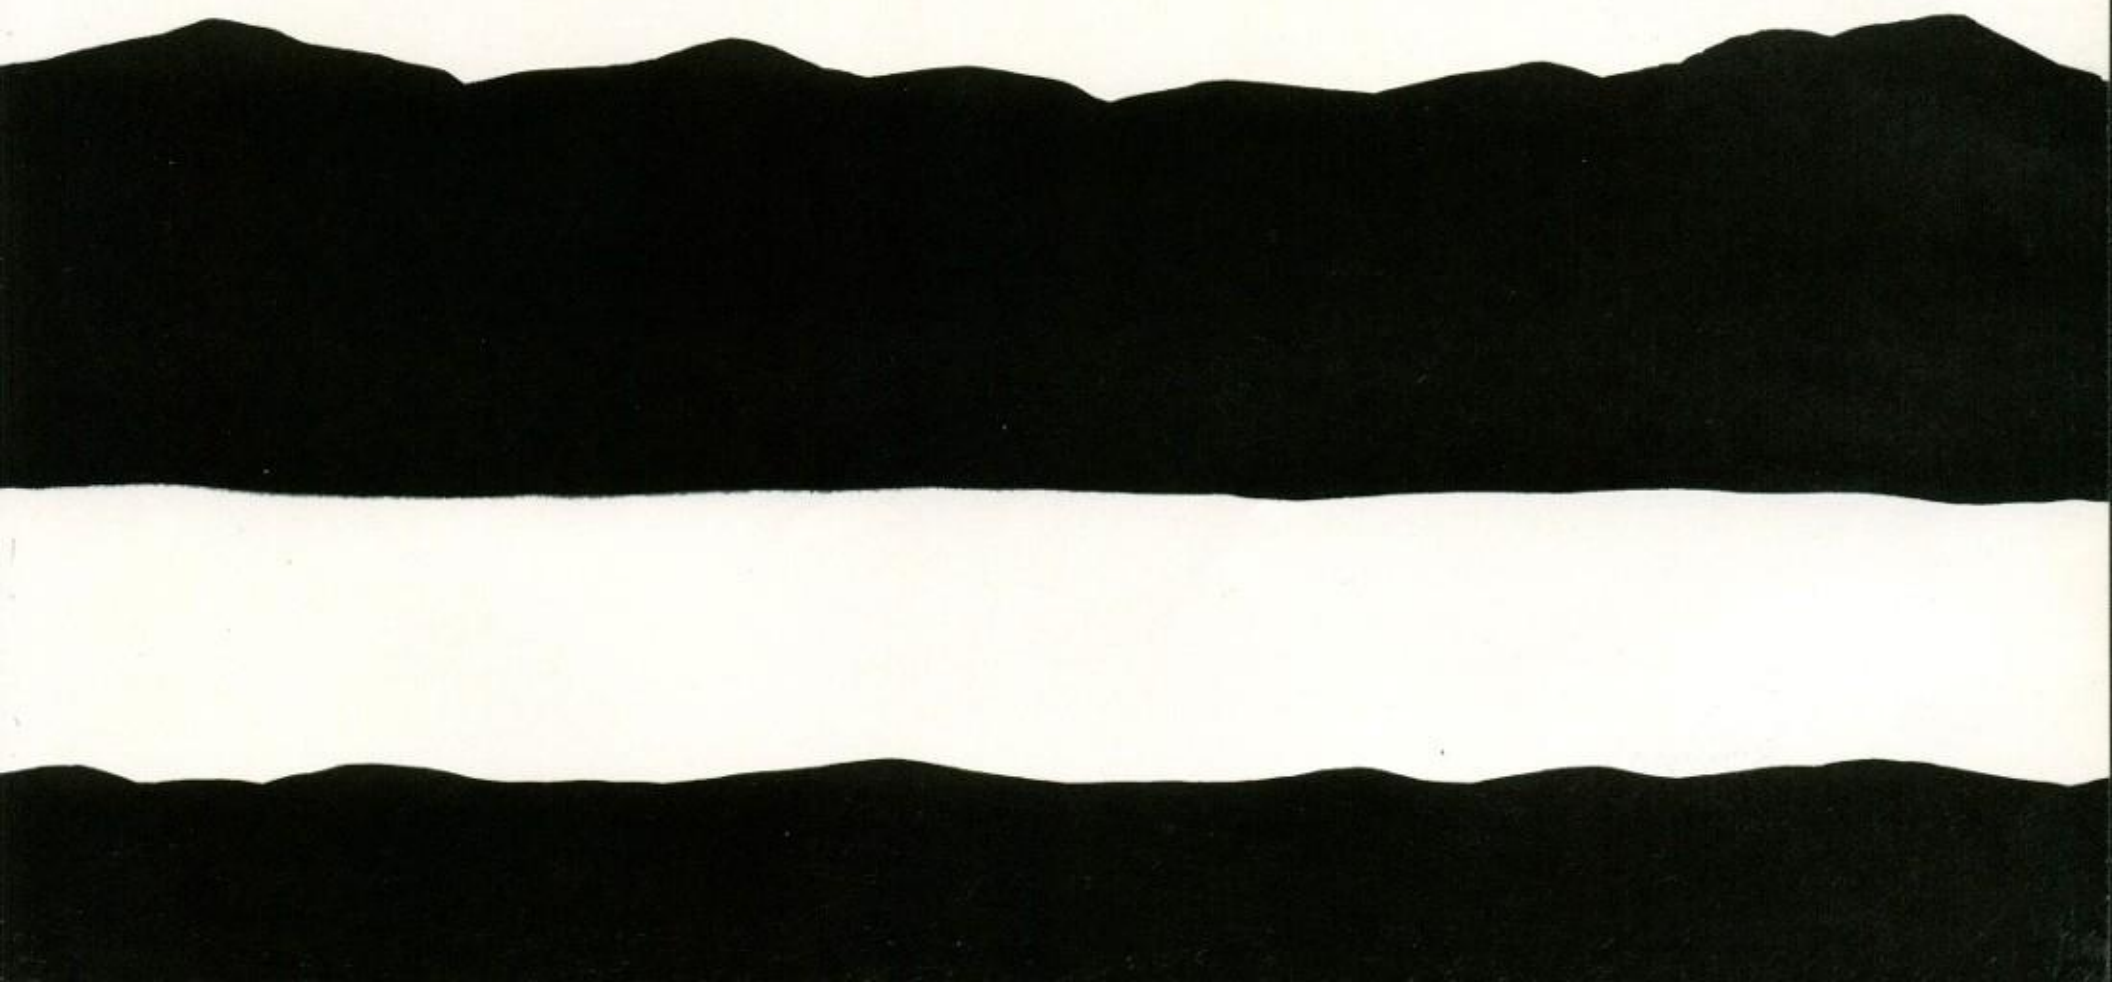

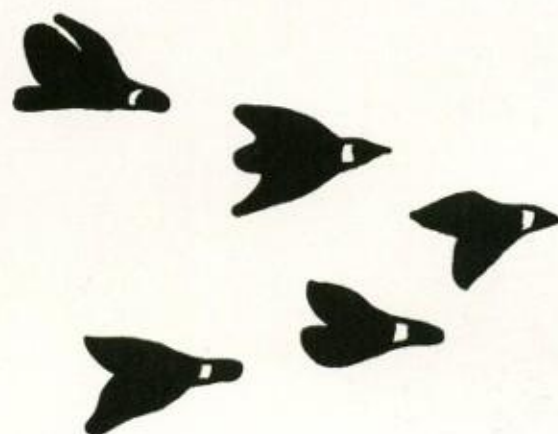

The majorettes twirled, danced, and performed their way through seven sensational halftime shows, adding color and motion with their movements. Memorable routines included "Night Train" and "You're a Grand Old Flag," for which the girls sewed their own costumes to keep with the theme of the performance. The majorettes, from left to right are: RoxAnn Turcic, Lori Moss, Caroline Beaver, Lori Langiotti, Robin Loutzenhiser (capt.), Carey Huels, Karen Gano, Debbie Stern, and Lori Campbell.

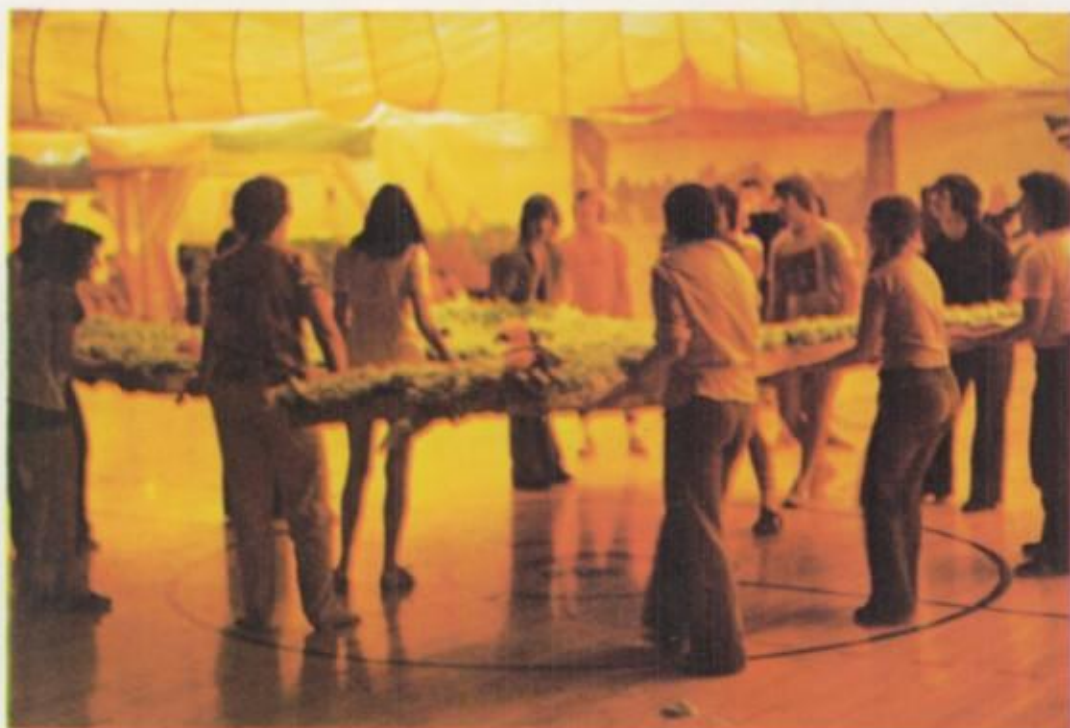

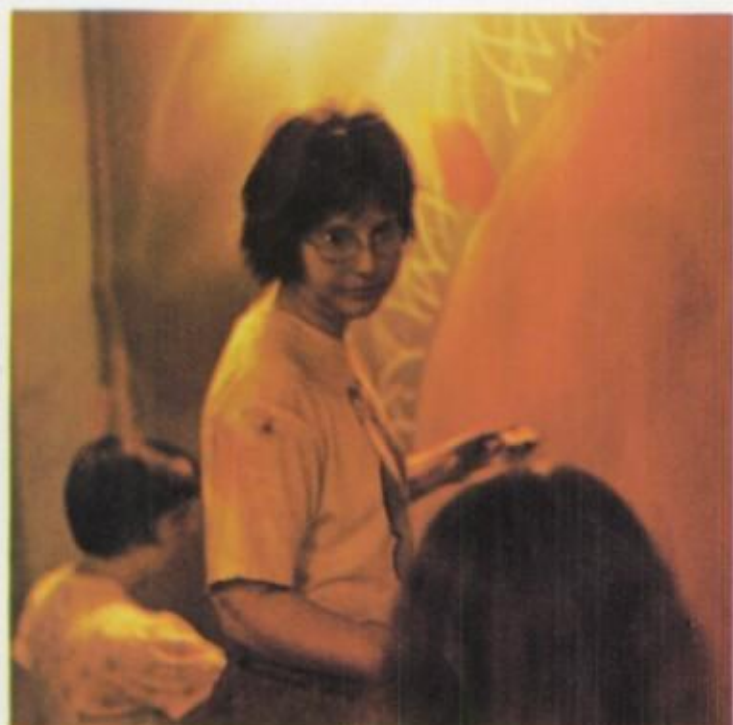

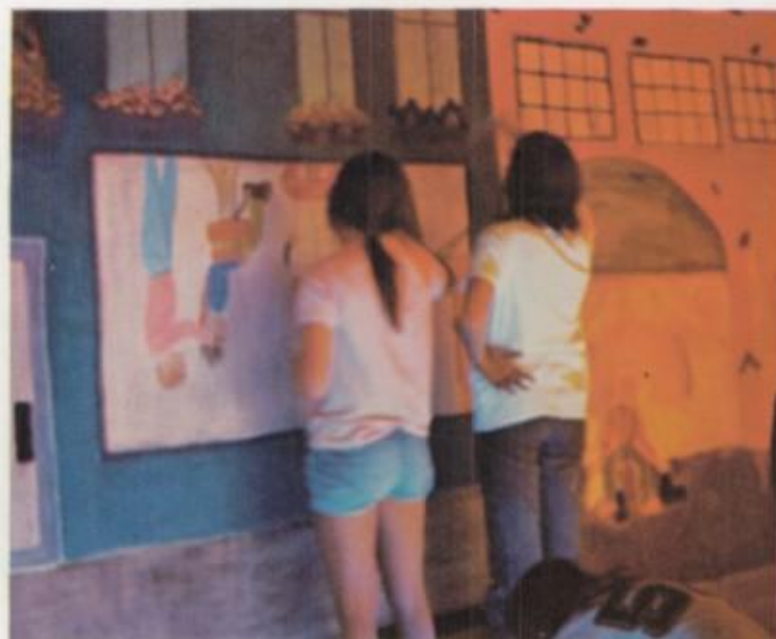

Dawn Cianci performed as both the drum majorette and the featured twirler for the 1975 season. Besides leading the band for two years, she showed her versatility by twirling a hoop baton and two fire batons to the delight of halftime audiences.

MAGICAL MYSTERY TOUR

The Class of '76 started production of the prom in March, with Julie Waith and Rod Silvis in charge. As tourists walked down Penny Lane and entered the bus, they passed by the foot bridge in the center of the gym and viewed colorful murals depicting themes of Beatle songs and various magical mystery characters. Prom-aides Shelly Stainbrook, Georgia Rougas, Carolyn McMaster, Jackie Barkand, Kelly Gilmore, Kelly Mazzeo, Rod Snyder, Bob Forbes, Mark Gerdy, Matt Landfried, Gordon Payne, Rod Rembold were dressed as characters portrayed in Beatle songs and served punch and cookies from behind the apple-shaped refreshment stand. Tourists danced to the rock group Outlaw, who played oldies-but-goodies as well as top forties. Although Sounds of Time played for the afterprom at the Elks, the juke box in the basement provided most of the entertainment.

HOMECOMING 1975

The first weeks of school were full of activity and excitement. Despite rain, the circular, 35 foot bonfire, stuffed with newspapers soaked in kerosene and fireworks, was a success due to the hard work of the senior guys and the hospitality of the Marinis for providing the bonfire site. This hard work was rewarded by what was originally planned as a pig roast, but ended up a beef roast due to the high cost of pig. Marinis, Staynoffs, and other obliging parents donated food and drink which added to the enjoyment of the roast.

The homecoming court consisted of Colleen Bronder, Jenny Hawke, Robin Loutzenhiser, Julie Perrotti, and Lori Stewart, from which Colleen was announced queen at the pep assembly. The court named Paul Marini honorary homecoming king because of his generous contributions to the festivities. The student body prolonged the morning assembly by cheering and dancing around the gym, refusing to report to their first period class.

The excitement peaked Friday night as the Trojans shut out the Erie East Warriors, 14-0. Following the crowning of the queen, the band performed a "working on the railroad" halftime with the majorettes dressed as engineers.

Homecoming festivities came to an end Saturday night with a dance sponsored by the Student Council. Crown Vetch provided musical entertainment for more than 100 couples in attendance.

In a few short years maybe I won't even remember the names that go with the memories, and the faces will blurr and run together in the jumbled past. The people I really care about, friends — not just acquaintances — those I'll always remember. Even if I don't see them for a few years or never again, I'll never forget what they've given me. The rest will be just faces in a yearbook.
